

Pétronille Houdart

Pétronille is Sequential Skin's lead skincare director, focused on translating the latest in skin science to personalised skincare formulations. She has over a decade in the industry, working with international brands to lead and consult on R&D, creative projects and brand innovation. Pétronille also led her own award-winning dermocosmetic brand, Pétronille Dermo Cosmetic, that produced customisable products for men and women. Pétronille holds an MSc in Cosmetology Sciences and a professional doctorate in pharmacy (specialising in dermopharmacy) from Paris Descartes University.
